**Supplement to the Information Disclosure Statement Previously Filed Under 37
C.F.R. §§ 1.97(d) and 1.97(e)**

Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Sir:

This is a supplement to the previously filed Information Disclosure Statement that was properly submitted under 37 C.F.R. § 1.97 within the time specified under 37 C.F.R. § 1.97(d) on May 24, 2005.

The previously submitted Information Disclosure Statement provided two Japanese Office Actions with English translations and four references that were cited in each of the Japanese Office Actions. Each of the Japanese Office Action translations, however, contained a transliteration error, which incorrectly listed Document 1 of the list of cited documents. This Supplement provides corrected English translations of the two previously submitted Japanese Office Actions. Specifically, the English translations submitted herewith correctly list Document 1 as Japanese Laid-Open Publication No. 05-315207. Although this document was incorrectly listed in each of the previously submitted translations of the two Japanese Office Actions, it was properly listed as one of the four references on the previously submitted Form PTO SB 08A, and a copy was provided with the previously submitted Information Disclosure Statement.

Applicant: Isao KUDO
Appl. No.: 09/053,040

In view of the above, no further translation or statement of relevance is required, and as all requirements of 37 C.F.R. § 1.97 and all official guidelines pertaining to Information Disclosure Statements have been complied with, and it is therefore respectfully requested that the Examiner consider the documents provided in the previously submitted Information Disclosure Statement and make them of record.

Date: 6/2/2005
